I'm so sorry to hear about my friend Richard. He helped us so much when we started our lamp business . We never would have made it without his knowledge and humor. I will miss him.

Appreciate the time I had to be around Richard during fishing related activities. A really super nice guy to a very young guy such as myself. Always a smile and friendly. Blessings to the family and friends during this time.

My sincere condolences to Peggy and family. Your family were really good neighbors to my parents on View Street. Richard was helpful in looking out for our property. May God bless each of you during this most difficult time in your lives. You remain in my most sincere prayers.
