We knew Mike from the Thrift Store. He was Always such a Blessing to us every time we stepped in the store. I keep a Special need client in my home and every Saturday she ask to go to the "Junk Store" (as she called it) to see her friend Mike. She would open the door to enter the store and always holler out ..... Hellooooooooo. Mike always knew it was Linda. Even if he was waiting on a customer, he would always take time to come from behind the desk to give her a Hug. Not a Saturday passed without him making our day by his kindness and the love of God that he always showed. You will be missed Mike but we know that Heaven is sooo much sweeter with you being there. We will see you soon!!!!

Mike always greeted us with a sincere welcome at the store. His presence will be missed. And even though he hardly knew us, he always treated us like family. In the few years we knew him, we looked forward to hear him singing God's praises and spreading sunshine at the store. I wish we had taken the time to know him better. One thing I do know....Heaven is a little brighter, and me and Jane are a little sadder. We love you Mike. Don & Jane Smith

Mike is greatly missed at the thrift store in Morganton. He was a true friend.

—David Webb and Rachel Morgan

Mike was like a second dad to me. He was a good friend of mine and my father's for over 10 years and he texted us

every night telling us we were his family and all he had left and that he loves us & appreciates us for being there. He was only our neighbor for two months before we lost him. And I personally, will never be the same after losing him. He was my best friend. He guided me back to God, he helped me every time I came close to relapse, he talked me down and helped us thru our darkest times. He chipped in to help my wedding get going. He donated to anyone who needed it. I can respect that the family wants private time to say goodbye.... But Mike said we were his family too. And he most definitely was family to us. We just want to be able to say goodbye to him too, because this loss has rocked our world harder than I could have ever expected.
