Sonya was truly an amazing soul. Even through dark clouds, she always seemed to smile. Getting to volunteer with her at Salem, and then later on, her being a Substitute teacher in my son's class. She taught my son to tie his shoes and helped him learn his ABCs. And for these things, amongst others, I will FOREVER be grateful for her. I love you Sonya and you will forever be missed. Sonya had many admirable qualities. She loved her family dearly, was fair and honest to a fault and enjoyed helping her students to develop self esteem and succeed in life. She raised two fine sons, filled her home with love and brought comfort to many. She was a loving caregiver to her mother as was her sister. The most important thing in her life was her family, expressing her love for them and spending quality time with them as evident by the many smiling family pictures left on Facebook. She will be missed but not forgotten.
