It was my honor to share an office and a weekend rotation at Broughton with Yvonne. She brought excellence to everything she did. Her commitment to patient care and the support of staff was inspiring. So often we enjoyed the generosity of her culinary talents, especially her fabulous pound cakes. A smile always broke across her face when she mentioned Jessi and her entire family. I will treasure her memory and I am so grateful that I could work with her and call her a friend. Deep condolences to her family.

I'm still having a hard time processing that Yvonne is gone. So I know she and I had talked a few weeks ago about trying to get everybody together. Because it has been awhile and some of our kids have not met. Yvonne you will be missed but not forgotten.

Yvonne was my classmate for 12 years. I had supper with her and several classmates in Hickory several years ago. It was great seeing her, as I had not seen her since our High School Graduation in 1973. She was a very sweet person, and she made great grades in school. She was very smart! I found out she became an RN just like I did. My prayers are with her Family. May God give you peace during this hard time. May Yvonne RIP.
