Grandma, I wish I could turn back the hands of time cause I would in a heartbeat. I would come an see u an spend more time with u an get to know u better than I did. I grew up an I kinda went my own way an I didn't take time for family like I should have an have so many regrets over now. I love an miss you always an hope I see u in heaven when I get there. Your Loving Granddaughter, Ashley Carswell
