Dear Alisha, you were one of the sweetest souls I knew! From the time I met you at the last neon festival I knew we would always be friends! I felt like you were so knowledgeable and really looked up to how you conducted yourself. Always down to have a good time and look out for everyone that is around you! I could tell your children were your life. You would always comment on my Facebook posts and it always made me feel good that you actively tried to stay in contact with me. I wish we were closer so we could have chilled more. But I'm so glad I got to chill with you, Dee, and Amelia this summer even if it was only a short burst of time. You are so loved and will continue to be loved. I hope you rest in paradise. Love you girl!
