Steve--Allen and Audrey's family: We are the Hopkins family who adopted Muffin, the cat Audrey (and you) found as a little baby kitten under a car in the (old) Wal Mart parking lot about 20 years ago. Muffin gave us 17 years of joy. Speaking of joy, Audrey was a pleasure to know. I met her first decades ago --I think at Dr. Farrar's office first and then at Dr. Beeson's, Dr. Sudderth's and subsequently Dr. Whitaker's office. Over the years, each time we saw Audrey, whether in the office or around town, somehow we always managed to end up telling each other pet stories and laughing SO hard :) I will remember her for her never-ending kindness, her compassion, her laughter, and her joy. Miss her. Loved her. Laurie H. Hopkins

—Mrs. Laurie H. Hopkins

I was so so to hear this. I worked with Audrey at Dr. Farrah's office many years ago when we were very young. She was such a beautiful person. We also lived together for awhile. I was also friends with Ann. I know Ann is happy to be

reunited with her again. I'm praying for her husband and Allan and her family. God bless you.

I am so sorry for your loss. I will keep you all in my prayers.

I am so sorry for the loss of Audrey. I loved talking to Audrey for over 30 years. We talked about everything. She loved her Abby so much. We talked about our dogs and everything else. I looked forward to going to the dentist because I would get to yap with Audrey. She was such a kind, sweet and accommodating woman. She will be missed very much. Steve and the family will be in my prayers. May the memories of her and she loved be of some comfort to you.

So blessed to have worked with Audie for many years. She was one the sweetest people you will ever meet. We will miss you!!! Lots of love to Steve and the family!

—Brittney Ruddy

Both my sweet sisters Ann and Audrey were some of most decent, loving, selfless people you could have ever been blessed to know. The kindness that they showed to friend or stranger is a testament to the love that Jesus tried to teach us. I was so very blessed to have been their big brother, I will miss both of them everyday as I finish out my days but I have peace in knowing that they are with Mom, Dad, and my beautiful Sara. If you knew either one of them, smile with me for a moment.
