Kim and Kenny, we are so sorry that you now have to wander through life without your Mom. She was certainly a huge cheerleader for the two of you! We were friends for many years while you were growing up. We sure did miss all of you when you moved from Pittsburgh. Times will be tough without her, but she raised the two of you to be tough. I'm she was ready to be with your Dad once again.

My sweet sweet sassy future mother in law. It's hard to think about you no longer being on this earth with us. But, we know you will always be by our side. I'll miss our laughs. The one thing that makes me tge happiest about you being in. Heaven is knowing that your mind is now normal. No more dementia. You can now think clear. Your body is in no more pain and is also Cancer free. The love that you and I shared was something special. I'll never forget our last I love you that we shared together on Friday before you started on your journey just a few hours later. I told you I love you and you whispered it back to me and pushed out your lips for me to give you a final kiss. I'll never forget you telling me that I made a mark on your heart on Wednesday. Thank you for raising the most kindness, loving and respectful man. Your sweet Kenny. Your little jokester. I know I'll see you though my jewelry. You now are with your sweet love and a sweet child you never got the chance to meet.
