Jackie and Family, I am so saddened by Barbara's death. I had the opportunity to spend time with her at the MHSWAA Board meetings. At our last meeting we had talked about how much fun we had at Christmas when Zac and Rob were young and the important role Danny played at Christmas for them. I will miss our opportunities to share memories with her. God Bless each of you and may he bring you peace and comfort at this time. I know there are so many memories you have that will help you as you remember your time with her. Prayers for each of you. My sincere sympathy, Linda Brown Wright

Seems like I had just received a message through FB from Barbara a few days before she passed. It broke my heart to learn this very sad news. We were neighbors, friends and like-minded humans in dealing with our fellow humans. She was also my sister's classmate at MHS. In addition, she always kept us up to date on the MHS FB page of others passings and any other important news! RIP my sweet, sweet friend Barbara, RIP!!

—Ruth Roseboro

I light this red candle in memory of my baby sister who will

forever be a Wolf pack fan. None of our family knew how sick she was. She did not want us to know. My heart is broken, but I know she is in a better place - not hurting, not sad as we are, not worrying, not trying to fix all the bad things in this world. She is in the arms of Jesus and surrounded by our loved ones and her pets she loved who are also in heaven. Please help us find good homes for Piper, Rusty, and Inky. Jackie

—Jacquelyn Ward

I was so sad to learn of Barbara's passing. She was an amazing person. We used to play together as children. Barbara's family lived 4-5 houses above us. She was awesome at keeping all of our Facebook friends notified about our classmates. She will definitely be missed. Jackie, I send my sincere condolences to you and the rest of the family. My thoughts and prayers are with you.

I am so sorry that Barbara has passed away. In a world with so much darkness she was a source of light and hope. Barbara made vital contributions to the world in many ways especially animal husbandry and rescue. In addition she was supportive of others who were suffering from severe illness or loss. Moreover by being foundational in administering a Facebook group for graduates of Morganton High School she provided a conduit for MHS alumni to connect. My deepest condolences to Barbara's friends and family.

I enjoyed having Barbara as a neighbor from 1990 until I sold my house in 1995. I was always impressed with her friendliness and kindness to animals, and her willingness to help those less fortunate. We enjoyed dinners and phone conversations in the years following my move. She will be sorely missed. I look forward to seeing her again at Christ's return.
