I had the greatest pleasure of working with Bobby for several years as we started a new plant in Morganton. Bobby was one of the most humble guys I have ever worked with. Bobby was very smart as a leader of the maintenance department and was highly respected by all of the people working with and around him. His personality and laughter was contagious.. My heart is deeply saddened during this time of his passing. Bobby loved his daughters and he talked about them frequently telling me how proud of them he was. I know he was a great dad and had a wonderful relationship with both of this girls. I will miss you Bobby.

—Lee Farris
