Bruce I know you're more at peace now and no pain. I've loved you ever since I married James and became a Mace too. I've been a Mace longer than I was a Cook. You were a wonderful person and missed by all. BI know James is glad to have you there with him your Mom and Dad. I love and miss all of you. I'm sorry Karl and Ron that I wasn't able to come for services. My love always.

Bruce was a good friend throughout our years together at Salem and WPCC. I have lots of fond memories being in many classes with him, and of his signature of BAM! We kept in touch all these years by sending Christmas Cards with written messages each year. This way of staying in touch will be sorely missed. Rest in peace old friend. We first met Bruce at Baxter Healthcare. He became a very good friend to us. Bruce worked very hard on his job. We are going to miss the trip we called "Let's see Bruce". Prayers for all the family.

In our brief acquaintance at church attendance Bruce always welcomed a hug and greeting with brotherly affection. At Autumn Care he also enjoyed conversation even when aware that my hearing was not the best , but it warmed my heart to know that he treasured our time together and our Father blessed us both. He always welcomed a prayer removing his hat in respect to his Lord and Savior. I am looking forward to being in the presence of our Father together. Oh the indescribable joy and peace forevermore my brother.
