all my thoughts with Bryan's family, and friends. I only knew him through shot online, but had a lot of respect for him, we exchanged pleasentries nearly every day, i cant imagine the loss his family and close friends are feeling but, i know he will be sadly missed in the game as a well respected guy, you could always go to for advice. R.I.P. Bryan god bless, Mally Kay.

Thoughts and prayers for Bryan and his family in this very sad time. Met Bryan online playing golf and we spoke many times on Skype or Discord. The game does not feel the same knowing he will not be logging on again. He was a friend and will always be thought of and missed. Condolences again for the loved ones left behind. Be well and stay safe.
