Tribute Wall

Momma: I meant what I said at your service that you loved seafood especially perch and now you can have all you want and it won't cost you a penny cause heaven will have the biggest buffet that you have ever seen. I miss calling you everyday at 3:15 and if I didn't you would call me. I miss you so much but I know you are not hurting anymore. But if anyone asked you if you wanted to come back to earth you would say no. I love you dearly. Your son

Carolyn was a wonderful person. She always was a very happy person even when she didn't feel good. She had the biggest heart especially for her family. I loved her dearly and will miss her. But knowing she is with our Savior gives me peace. Prayers for the family I lit the red candle because she loved Christmas and went all out for it before Halloween came.
