Rhea and I are deeply grateful for Christine's commitment to the Care Ministry at Burkemont Baptist Church! For the last year we have been recipients of numerous cards of encouragement from Christine and other members of the Care Team since we've been unable to attend church services in person because of ongoing health issues! Praying for family members and friends as they mourn this loss.

Tasha and Jason I am so so sorry to hear about Chris she was a good lady Loved everybody and I am so sorry that she's not here anymore please if you need anything you call me Genni Jarrett 828 443 5061

Chris said over and over again in the previous year: "Dont worry about me! I'm good! Gods got this!" I'm so thankful she is now fully healed, has seen the very face of her Lord and savior Jesus Christ, been reunited with her husband and her parents, and is likely dancing and worshipping on the streets of gold with all her heart. And I'm so sorry for the unfillable loss her family and those of us who love her are experiencing, as we have been left behind. So my prayer is that the testimony of her faithful life, will be used by our merciful God, to draw any of us who do not yet know Him and His great love, to faith in Him, making Him Lord of our lives. So that we too may dance with all our hearts on those streets of gold with Christine, worshipping the King of her precious life! I will see you again sweet friend...
