Tribute Wall

For the time I had with my uncle the last 3 years was the hardest thing to see I seen a man that had his own self figured real good he was as sure of his ability as sure as the sun rises and then he didn't find himself one morning and soon not any morning I miss him and wish I could tell him thank you for the opportunity to spend the last few moments of his life it was my pleasure to look over him and it's not so easy to say we will see. You on the other side
