

Dane Andre Moore

Aug. 25, 1969 - Oct. 19, 2025

Dane Andre Moore, 56, of Drexel, NC went home to be with the Lord on Sunday, October, 19, 2025. He was born on August 25, 1969 and raised in Drexel by his mother, Melanie Moore. He was a member of Mt. Home Baptist Church. He loved the Lord and shared his faith with all who knew him. He was a family man and enjoyed performing community service. Dane graduated from Tabernacle School where he played basketball and soccer. He went on to Catawba Valley Community College and obtained his Paramedics degree. Dane has been an Instructor at CVCC, Western Piedmont Community College and McDowell Technical Community College. After retirement, Dane continued to work as a paramedic with UNC Blue Ridge at Valdese Family Medical Practice. He became a firefighter at age 16 and was part of Triple Community and Drexel Fire Departments. While training many fellow firemen in the greater community, he also taught CPR and First Aid through Child Care Connections in Burke County for thirty years.

Dane is survived by his wife, Sharon Rushing Moore; children, Delanie Moore, who has his determination and attention to detail, Thomas Moore, who shares his sense

of adventure and love of community, and Jocelyn Moore, who has his sense of humor and his smile that lights up a room; a number of extended family members including his nephews and nieces who he thought the world of.

He was preceded in death by his grandparents, Thomas D. Moore and Beulah B. Moore.

The family will receive friends from 11am to 1pm on Saturday, October 25, 2025 at Mt. Home Baptist Church. The funeral service will begin at 1pm in the church with Rev. Ethan Cromer officiating. Burial will follow in the church cemetery.

In lieu of flowers, the family requests donations to The Timothy Project through Catawba River Baptist Association, 1812 US 70, Morganton, NC 28655, a mentoring program for students called to vocational ministry.

Dane was the high light of visiting VMA. Giving me advice that was best for me—such as staying with Dr. Hamm when Dr. Scroggins left. He took the time to say “hello in there”, suggested by John Prine. Family of Dane, I hope you can find comfort in knowing he was a helper and healer.

I had the pleasure of taking CPR with Dane at Childcare Connections. Although it's something I dread every 2 years, Dane always made the class fun and personable, with the best stories of his experience as a paramedic, and the funny/crazy encounters he has had over the years. He will truly be missed. God has you in his heavenly home with open arms Dane. May you rest in peace. Lifting the family of Dane in my prayers!
