"Uncle Dennis was truly a one-of-a-kind man, and anyone who knew him loved him. Some of my absolute favorite childhood memories are the days we spent with him out in the woods. He didn't just take us along; he shared his entire love for the wilderness with us—teaching us how to hunt, how to fish, and building that unforgettable swimming hole for us in the creek. He had such a generous heart for kids and a gift for making friends everywhere he went. He leaves behind so many incredible memories and a legacy of kindness that we will carry with us forever. We miss you so much already. I love you, Uncle Dennis."
