A good friend since 1974. She can rest in peace now with no pain.

Fly high sweet lady. Dolores and I were the best of online friends for many years. She helped celebrate my oldest graduating high school and welcoming my son in the same year. She spoke often of her granddaughter Kristy and her 3 great grandkids. She loved her weekends with them. I don't think I would have made through my dad passing a few years ago without her friendship and support. I offer mine to my dear friends family at this time. I will truly miss her as I know so many will.

—Dana Flora

I am so sorry to learn of the passing of my friend Deloris. My thoughts and prayers are with her and her precious family.

I am going to miss you my friend. You were a wonderful friend for me. I know we never met in real life but we messaged each other and you really helped me when my son passed away with cancer. You were a kind and loving person. I loved how you would send me pictures of your great grandkids and how much you loved your family. You have gotten your Angel Wings. You will be missed my friend.
