You will be missed, Don. Thank you for taking care of us as kids. You brought a love of history, bowling, and learning about the world to us. I enjoyed watching Jeopardy beside you and having deep discussions about everything. The only thing you could never teach me was to appreciate your creamed spinach. You made us all laugh daily. You cared for and loved our mother for so many years. I think my favorite memory as an adult was playing Wii Golf together in your living room a few years ago. Rest in Peace.
