Dear Glenn and Gary , it has been ever so long since our paths have crossed. I am sad to read about Don's passing . I always adored you and Miss Mary . I did learn of her passing until far afterwards. You and Mary always focused on your children as the center of your universe . I will NEVER forget the many times that I was welcomed so graciously into your home . I want to pay a tribute to you, Mary and your blessed family for being so warm and gracious . With Sympathy & Love

Glenn, So very sorry for your loss. My family and I are praying for you and Gary and family and friends. I will be out of town and will not be able to attend the funeral. Just know that I am thinking about you. I have known you and your family for a long time and value our friendship. Donald Carroll and family.

Don was a great friend. We spent a lot of time driving all over the southeast picking up cars for a Ford dealership. We cut wood and went on a few bus tours, any time I ever called on Don before his health declined he was always available and willing to help. Don was a true friend and I will surely miss him. I look forward to seeing him again.
