Pastor Ralph was a really good friend of my dad. I loved to go play golf with Ralph when he came up to visit. Pastor Ralph married my wife and I almost 24 years ago in January 2002. He was a great man and I know he is with our Lord celebrating each and every day! I am truly sorry I did not get to attend the service as I just found out about his passing. I send my love to Sandra and his family!

To Sandra and Family, I am deeply saddened to hear of the passing of Preacher May. I grew up at Zion and listened to thousands of Preacher May's messages over the years. I consider him the most knowledgeable minister I've ever met! Preacher May led me to the Lord at 15 years old and he was the one who also baptized me. I had many wonderful memories of him while playing golf at Quaker Meadows and walking through the halls of Zion with him talking about all kinds of things. He was a great role model to all of us young men at Zion and always would lend an ear when you needed him. He was a brilliant Bible scholar, a great friend, and a long-standing Pastor who did so much in the lives of everyone at Zion Baptist for decades. I know he heard "well done, good and faithful servant" on Christmas Eve as he finally got to see the one he had given so many messages about. God Bless you Ms. Sandra. Sincerely, Ashley Taylor

My heart and my prayers for the whole family. To Sandra my sister by love. I thank God for sharing life with my brother Ralph, though miles apart we were locked together in spirit. Growing up on the farm in our early years brother was a real prankster. He was also my Big brother teacher. He taught me how to ride a pony bareback, how to sane for crawfish, cook them over open fire, how to swim (by being thrown in the creek) it worked. In later years he was my Bible research and study partner. He would give me assignments and I would often do the same for him. There will be another hole in my heart. See you soon brother. Love

—Carolyn May

Our condolences and prayers from the current pastor and congregation at Riverside Baptist Church. Though many years ago, we appreciate the faithfulness of Dr. May during his pastorship at Riverside. “Remember them which have the rule over you, who have spoken unto you the word of God: whose faith follow, considering the end of their conversation. Jesus Christ the same yesterday, and to day, and for ever.” Hebrews 13:7&8

—Pastor Jason S. Owens /Riverside

I am so thankful for the 83 years brother was part of my life. As children growing up on the farm he was full of his pranks and teasing. He was also my teacher he taught me to sane and cook crawfish, ride a pony, swim ( by throwing me into the creek) so many things. In our later years he was my Bible study partner. He often gave me assignments as I did him. It was a joy we loved sharing. My heart now has another empty spot, but my memories will last forever. See you soon brother. Love You

—Carolyn May

Sandra and family I am heartbroken for my Pal and confidant's passing. I know he is at rest with the others who have gone beforehand. I hadn't spoke to him in a week or two, but he was always in my thoughts. We shared so many stories and I will have so many memories. I think I must

share the note I sent him on Weds morning 12/25/24 as I was unaware he had passed. It reads, Merry Christmas my friend to you and Sandra! I am sure you are surrounded by family members. Have a great day! I know now that he had a very Merry Christmas in the arms of the Lord..! Although he didn't get to read this, he knows how I will miss him!

Sandra I am so sorry for your loss. Ralph was my Pastor ,Preacher, Teacher, leader and friend for some 50 years. I have know you both through ups and downs and loved every minute of our friendship. The last words Ralph said to me: I'm going home. I'm tired and I want to see my Father face to face. My nickname Fred was given to me by him. He's smiling from ear to ear right now. Sandra I will help you any way I can. I love you. I will always love and miss Ralph

Dear Sandra and family: There are not enough words to express our sympathy, love and prayers for you at this time. Pastor Ralph was truly a "Pastor" in every sense of the word.

So wise in our conversations recently and so full of the glory of God. He will be missed , and is loved dearly. The last time I talked to him, and was getting ready to leave,among other things he said "I will see you at THE HOUSE." How precious he was and is to me. Love and blessings to you, as we all look forward to seeing our loved ones at "THE HOUSE." Our Father's House! Heaven gets sweeter all the time...

—Debbie Ford

Dear Sandra and family... Ray and I are so sorry for your loss....if there's anything we can do, anything at all...please feel free to let us know.....Ralph played a significant part in our life many years ago...he came along just when we needed him most..he talked to us about GOD and what it meant to be saved....there were several of us there that day and he helped lead us to the LORD. The next day we were in church and we still are all these years later...It could have turned out a lot different for us without Ralph paving the way....We'll always be so grateful to him...and one day soon and very soon we're gonna "see him at the house" GODs got this ...and he's got you too! WE LOVE YOU

—Sandy Hightower
