I had the pleasure of working with Warren we called him Ed in the late 90's at Dominos on little rock road. He was quite the man. He was sure to always bring a laugh and a smile. I am honored to say he was a friend. He will be remembered.

So sorry. Warren will be missed. Warren was a really good man. I met Ruthie and Warren the same evening they met each other. We all met while out dancing, around 20 years ago. Many happy years of dancing and singing followed. Even the animals loved Warren, birds would sing and dogs would bark when they heard Warren was near, literally with happiness as the animals knew him too. My thoughts and prayers go out to all. Ed inspired me to lift weights. I still do and will always be grateful for his help in developing a workout routine.

Sending my deepest condolences to Warren's family. I had the pleasure of knowing Warren through my Aunt Ruth. He was so full of love and I always looked forward to their birthday song phone calls each year! He will be missed.

Gene and I send our deepest condolences to Warren's family, and especially to his long time friend, Ruthie. Warren had such a big heart for people, he loved to laugh and had a strong belief in God. He often expressed how fortunate he was to have Ruthie in his life. Warren will be missed.
