My precious little sister Deanna. What a sweet loving soul you were. Always loved with your whole heart. You absolutely meant the world to me. I don't know how to go on without you. I'm just praying for the Lord to help me and Michele in the days ahead. I trust Him and I know He knew it was best to take you home. I know the heartache you felt on this earth and I'm so glad you feel that no longer. Jesus take care of my little sister until I see her again. I love you always baby doll,Selena.

Deanna was a doll of a child at the Church of God in Morganton . I would always turn around to see her jumping and rolling around close to her mother and family on the back pews of the right hand side from the back of the church . She loved to cut up some back there and she had the sweetest smile. I would look back and she would see me and smile , then she would smile so big every time that she saw me . I thought she was the cutest baby and toddler

with her dark hair and big dark eyes . May she rest in peace . I am praying for this family. Lord they have been through a lot In this family , but you never fail us and you'll always be with us your word states. I pray you wrap these two sisters tightly and help them, and their sister Deanna's children during the days ahead . I pray that they all will cling to you and serve you until you return . We know there is hope in you lord . Father God be with them and help them daily. I pray lord that you'll fill them with your loving spirit daily, and give them peace lord . God is Love Isiah 41:10

No words that I write here can do enough to sooth the hearts that ache or relieve any of the pain that absence brings. Deanna smiled with her whole face. She loved with her whole heart & she left a void that can never be filled. May God part the clouds of sorrow with the radiance of His love. 2 Thessalonians 3:16 Lee
