Tribute Wall

I am so sorry to hear of the loss of this wonderful woman who I had the pleasure of knowing for a little over a year and a half. She was a wonderful, loving and one of the kindest, sweetest people, I have ever met in my life. I only found out about her death by happenstance on a post from her daughter looking for a home for her dad who was recently widowed, to Howard, Amber, and the rest of her family and friends, I am so sorry for your loss. She loved you and her grandchildren very much and she really made a terrific impact on my life she will be greatly missed. Sending love to your family
