She always thought of us every holiday, birthday and summer visits in between and spoiled us with her sense of style and always knew what was trendy. I worked with Frankie @ J. Iverson Riddle Developmental Center for many years. She was a hard working lady who loved the residents. Her sense of humor and laugh was very infectious as it made the day go better. Frankie was a devout Christian and her faith was evident in all she did. I have fond memories of our friendship and will see her on the other side. Rest in peace, my friend!
