Dear Morgan Family, Graham was initially my boss's boss, then mine, in the early-mid 90s. My first job. I was promoted too quickly and attempted to resign multiple times. Graham wouldn't let me. "Young Christopher", he used to say, "I don't accept your resignation, now get back to work." The principles conveyed to me by Graham served me well over a long career. His faith in me never wavered. A couple of years ago, I attempted to track Graham down, willing to go anywhere to spend a little time with him. I regret that I was unsuccessful. I attempted again yesterday to see if I could find out anything about Graham and sadly, his obituary materialized. Graham and I worked together 35 years ago. I'm nearly 60 and retiring soon after a successful career. I owe some of that success to Graham. I was blessed to have known him. Sincere condolences from my family to yours. Christopher J Reedy.

Bobby, I am so sorry to hear of your loss. I was a district manager for combined insurance and I really enjoyed working with Graham. I still use some of his favorite saying like well that beats a poke in the eye with a sharp stick. Again, I am so sorry for your loss

We are so sorry for your loss. We always enjoyed talking about movies with you and Graham. Fynne Fowler

I am so sorry for your family's loss. And for anyone who knew Graham! I only knew him from speaking to him on the phone from work, but I loved talking to Graham once a year

when he called in for the termite service. He was such a nice man, and after 17 years of having funny conversations and hearing about his fishing adventures, I can honestly say that I will truly miss having this particular phone call each year. It was a blessing to have been one that he touched if even only thru the phone. Again, I am so deeply sorry for your loss, and your family will be in my thought and prayers. Cindi White @Terminix

Bobbie we are so sorry to hear of Graham's passing. You both were always so kind to us and wonderful neighbors. Graham's enthusiasm and passion for fishing was unmatched. And his affection for you was always obvious. You will continue to be in our thoughts and prayers. The Smiths

Bobbie, I wish I knew what to say to make this easier for you but I don't have those right words! I know that your heart is broken and that you are in shock! He was your husband for 60 years!! A long time doing life together! Everytime I saw Graham he was so kind and friendly with me. Of course, I asked him about his fishing! He WAS the Southpointe fisherman! I always thought how young he looked and how active he was, driving and fishing!! A perfect picture of Graham above! Please know that you and all of the family are in my thoughts and prayers! Don't ever forget that you are not alone and very much loved! Ann
