I am Robena's and Doward's oldest son. Sharon and Kim are my sisters. Ray is my brother, by Robena. My first memory of Harry was when I rounded the corner in my new pajamas, feeling over dressed and encouraged by by uncles to get in bed. They were in their underwear and t shirts and laying across each other and in all directions. They said, get in I said, where? There after I just climbed in, no directions needed. Always accepted. One of my most recent memories was of uncle Harry preaching, I had never heard any preaching more earnest, heart felt or unique. I am sorry for your loss. I would like to bring my wife Pam up and meet everyone, soon. It' good to remember Romans 8: 38, 39 ,For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor any thing else in all creation,

will be able to separate us from the love of God that is in Christ Jesus our Lord
