Berry (Jean)*

May 11, 1930 - May 28, 2023

Dorothy Jean Forhan Berry (Jean), 93, of Morganton NC died Sunday, May 28, 2023 at Grace Ridge Retirement Community after two years of declining health. Jean was a loving mother, grandmother and great grandmother who delighted in seeing her family succeed in all their various pursuits.

Jean was born on May 11, 1930 in Detroit Michigan to the late Marie Loranger Forhan and Wilfred Allen Forhan. When she was five years old the family relocated to Fort Lauderdale, Florida where she lived until graduating high school and leaving to attend Florida State University in Tallahassee. Jean majored in Physical Education with a concentration in dance and she excelled as a competitive swimmer. It was at FSU where she discovered Modern Dance which became a lifelong passion. She was chosen by her dance instructor to be a participant in a dance workshop run by the renowned Martha Graham in New York City for two summers during her college years.

Upon graduation Jean accepted a position at Alabama College in Montevallo, Alabama teaching dance and coaching the swim team. It is here where Jean discovered another passion of her life, her husband, Lewis Berry. When Jean and Lew

met they both were engaged to others but their instant love for one another could not be denied. The couple married in 1953 and moved to Greensboro, NC so Lew could pursue graduate studies in Art at UNC-G. As their family began to grow they moved to Morganton in 1958 where Lew began employment at Henredon Industries and they

raised their 3 children. During these years Jean had various pursuits including teaching dance and other PE classes at Western Piedmont Community College, developing and leading creative movement workshops at NC School for the Deaf and the Iverson Riddle Developmental Center. In the 1980s, Jean earned her Masters Degree in Counseling at ASU in Boone and spent many years helping others navigate difficulties in their lives or simply helping them learn more about themselves.

Jean explored the world around her through movement whether it be dance, yoga, swimming or simply walking in nature. With her young family, long camping trips were made to New England, Wyoming and Florida and endless hours were spent snow skiing, horseback riding, and hiking. She and Lew took ski trips to the Western ski resorts and several trips to Europe enjoying Greece, England, France and Italy. Beyond the age of ninety, she was often seen walking the local Greenway along the Catawba river. Up until her last few months of life she kept up a weekly yoga practice.

Jean was an active member of Grace Episcopal Church where she spent many years singing in the choir. She also participated as a lay reader and worked with the youth group. In the 1990s she completed the Education for Ministries course and became a lay minister for the Episcopal Church. With this training she was able to care for the congregation, lead small groups and establish community outreach ministries as part of Grace church's ministry team under the supervision of the clergy.

Oh, how I loved your mom! I have known her forever and she was such a wonderful beautiful friend to my mom, Bobby UNDERwood. She was so so so good to my mom when my mom moved to Grace Ridge. I've talk to Jean every few months since my mom died, and how brave she was, and very Jean Berry-like to decide to stop the chemo and to be more in charge of her earthly end!!! I very much hope I will be able to come to her service to grieve for her and celebrate her!! Love to you, Chris, Melinda and Martha!!
