My heart sank when I saw her picture. I had the pleasure of teaching Jeana at Freedom High and she helped with the Christian club I sponsored. I remember seeing her in that amazing Prom dress at the Armory and her beautiful smile! A few years later, she proudly told me of her son. Such a wonderful, kind spirit gone too soon, as always God has a plan. She was an amazing cook and blessed the club with her creations. I was a better person for knowing her and glad she was blessed with many children. I will see you in Heaven and may God surround your loved ones in the coming days, weeks and years!

Jeana, My heart just breaks. You were such a fun child. We had the joy of attending church with you, being your neighbor at South Mountain. To you having sleepovers with Hannah and You, Hannah, and Oliver hanging out. So full of spunk, full of fun energy, and sometimes mischievous. I pray for your children. You will be missed. We love you and will always cherish the memories.
