I was looking for another obituary of a friend and I seen Jennifer has passed. I am so ,so terribly sorry for your loss. I loved Jennifer and the family. During the time I helped with her care as her home health nurse I grew to love Jennifer.

She was always light hearted and loved her family especially her daughter Macy. We laughed together and prayed together. I know she is resting in the arms of Jesus and is with her family that has gone on before her. I will always remember her with warm and loving memories. May
