So sorry to hear of Jimmys passing. He worked for me on 2nd. This is bittersweet to me. Jimmy and I talked many times when my husband was diagnosed with throat cancer, he passed on Christmas eve of 2020. I sit and cry as I type this. I live in Mitchell County and just found out a couple of days ago. My love, tears and prayers are with you all. This is a temporary parting, but it is still sad. All my love sister in Christ.

This world is less sweet without Papaw Jimmy, but I praise the Lord that he is finally home with our Father, with indescribable joy and peace. For everyone left behind, I pray God gives us patience and comfort as we miss Papaw Jimmy and grieve until the day we get to see him again.

I am very sorry to hear of Jimmy's passing. I went to Hibriten with him, and I credit him with creating my interest in Land Cruisers as he had the first one I ever

saw and rode in some. Sadly, I lost touch with him after graduation, but reading about his life and accomplishments, his faith and his family, I am heartened by his story. My condolences to his family; he was a great guy. Sincerely, John Doll
