To the family members of Jo Ann Herron, so sorry to hear this news. I worked with Jo Ann at Voc Rehab and she was always helpful and kind to me. Jo Ann loved her family dearly and she bragged about her children and grandchildren on a daily basis. I missed Jo Ann when she retired from VR but would see her on a few occasions. I know she enjoyed her trips to Gatlinburg, spending time with her family, and she was a good cook. I liked to hear her laugh and hear her tell some funny stories. Jo Ann was one of a kind. I know you will miss her. My condolences and prayers of comfort for you all.

–Ann

Karen, Daleleen, Kevin, and Rodney, I'm sorry for your loss but know she and you guys had a long, hard struggle. I spent a lot of time at your house growing up and your mom corrected me numerous times but some of those lectures didn't take as you know. I was never Sandy but always Sandra. Praying for all of you. Love always.

I'm so sorry to hear of Miss Jo Ann's passing. She was sassy & a ball of fire & I loved when she came in and we shared stories. I told her it was good we didn't grow up together because we would've stayed in trouble. She spoke of her kids the most and of course her husband. She told me how they sat on a rock wall outside their school and talked. You will be missed Miss Jo Ann but now you're healthy and back with Dale. Love you dear lady. Prayers for her family.

–April Arrowood

To the family of Jo Ann Herron I extend my condolences. I knew Jo Ann when she worked at Vocational Rehabilitation at Broughton Hospital. I too worked at Broughton Hospital. Back in the 1980’s I had a wood stove. Jo Ann always saved me some small pieces of wood which came from unused pallets. I used the wood for kindling. She was most helpful. A great person. Peace to her family.
