

John Victor Jokinen

July 31, 1943 - June 28, 2025

John Victor Jokinen, 81, died on June 28, 2025, surrounded by his loving family. He passed as he lived with courage, grace, and integrity.

John was the youngest child of the late Uno Alvar Jokinen and Rachel Porthan Jokinen. He was preceded in death by his sister, Joan Jokinen Tate, and his brother, Robert Jokinen.

John's family roots were deeply Finnish. His grandfather emigrated first from Finland to the United States, followed by his grandmother, who courageously navigated Ellis Island alone with her children speaking no English and armed only with perseverance. This spirit of grit and determination, known in Finnish as Sisu, became a defining thread through John's life.

John's grandparents later settled in Ely, Minnesota, where his parents grew up before relocating to DeLand, Florida to raise their own family. There, John thrived in both academics and athletics, starting in Little League and culminating in a senior-year State Championship in baseball. He graduated as Salutatorian from DeLand High School in 1961 and was later inducted into the DeLand High School Sports Hall of Fame, where his children and grandchildren cheered him on.

John went on to attend the University of Florida, graduating in 1965. A proud Gator for life, he served as president of Beta Theta Pi Fraternity during his junior and senior years. He rarely missed watching the Gators play and especially enjoyed celebrating their most recent NCAA men's basketball national championship. During his final illness, John's family made sure he was never without his beloved

Gator socks and pajamas. He also remained a lifelong fan of the Brooklyn Dodgers and Atlanta Braves.

Growing up along the banks of the St. Johns River in DeLand, John developed an early fascination with Cypress wood as he watched massive trees float downstream to be processed at the mills his father managed. That childhood experience sparked a passion that would guide his distinguished career in fine furniture most notably as co-founder of E.J. Victor.

After college, John joined Simmons Company as a sales representative. His first territory was in Albany, Georgia, where he met Huntie Hall, a high school teacher. They married in 1967. After 12 years with Simmons, John joined Henredon Furniture in Morganton, NC, in 1979. He credited his mentor, Henredon president William E. Smith, for shaping his knowledge of the furniture industry.

As the industry changed in the late 1980s and early 1990s, John made the bold decision to start a new company. In 1989, John, Edward W. Phifer, III, and Joseph B. Manderson co-founded E.J. Victor, with instrumental support from George D. Johnson, Jr., Stewart Johnson and Dan Breeden. They persuasively recruited retired Henredon executive M.C. Talley, who selected equipment and personnel and provided trusted advice. John's leadership, vision and perseverance were pivotal to E.J. Victor becoming one of the premier furniture manufacturers in the United States. The company reflected John's principles of integrity, fairness, and a deep appreciation for customer relationships and the dedicated employees.

John was a faithful member of Grace Episcopal Church, where he served on the Vestry, as a lay reader, and as chairman of the Stewardship Campaign. He also served on the Grace Hospital Board and was the first Chairman of the Grace Healthcare Foundation.

He enjoyed hunting in the Carolinas and South Georgia, and cherished the days fishing with his grandchildren at Pawleys Island, South Carolina.

John was an encourager and mentor not just to future furniture leaders, but to young athletes and aspiring professionals. He was a role model to his children and grandchildren, who lovingly called him Big John. He lived with humility and grace, never seeking attention and always inspiring those around him.

John's journey from the banks of the St. Johns River to the foothills of Western North Carolina was marked by 58 remarkable years in the furniture industry. His legacy of *Sisu*, generosity, and strength will continue to live on in the hearts of all who knew him.

John is survived by his devoted wife of 57 years, Huntie Hall Jokinen; his daughter, Jeanne Jokinen Bradshaw (Michael); his son, John Hunter Jokinen (Meg); and his grandchildren: Hall, Smith, Hayden,

and Cooper Bradshaw, and Thomas and Robert Jokinen. He is also survived by his sister, Joyce Jokinen Sims (Dave); sister-in-law, Mimi Langley Conner (Frank); and nine nieces and nephews.

The family expresses deep gratitude to Dr. Jennifer Atlas (Levine Cancer Institute, Charlotte), Dr. Greg Jones (UNC Health Blue Ridge), Dr. Keith Smith (Burke Primary Care), the Amorem Hospice Team, and Johns compassionate caregivers: Denise, Martha, Grace, and Tiffany.

A memorial service will be held at 2 p.m., Thursday, July 17, 2025 at Grace Episcopal Church, 303 South King Street, Morganton, with a reception to follow.

In lieu of flowers, memorial donations may be made to Grace Episcopal Church Endowment, 303 South King Street, Morganton, NC 28655 or Amorem Hospice, 902 Kirkwood Street, Lenoir, NC 28645.

Sossoman Funeral Home and Crematory Center is assisting the family with the arrangements.

You were one of the Best - Never allowed us to make an excuse.

What a beautiful tribute. I remember him so fondly, even though it was a short time. He stepped in to dance the father daughter dance at cotillion when my father couldn't make it. I'm sure I stepped on his shoes and he just kept on moving with such grace and confidence. Your family is held so close to my heart. Thinking about you as you move forward. He was a hero!

—Jamie Matthews (Golightly)

My condolences to all family, I had the pleasure of meeting Jon, Joe and Ed when they came to the store I was General Manager of Porters of Racine and meeting with my boss Bob Waters. It saddens me to hear of John's passing. I started at E. J. Victor when we first moved here in 1997. The owners always treated you as family and knew your name. When I started helping with costing John already knew a good idea of the cost. In recent years as I would pass the vicinity of his residence I would think of him and pray. My prayers continue for all the family.

Although we only met John once here on Marco Island, when they were visiting Huntie's sister, Mimi and her husband Frank. We had a nice conversation on the party boat as we cruised around the island, but I feel like we knew John because Mimi and Frank always spoke so highly of him and Huntie . Our hearts go out to the family. May he rest in peace

You never felt like you worked for John, but that he worked with you to make you a better person and this produced a win for you, your customer, and your company. I had never seen or heard the word "sisu " until reading John's obituary, but this word defined this great and gentleman. Thank you for being my mentor, my cheerleader, but most of all, my friend. So sorry for your loss. I have one fond memory of John. I was 16 years old and was working at Henredon. I wanted to play softball and we had a practice at Bethel park. It had rained the day before and the sod was still saturated. I went to swing at a ball and my knee cap came out of place and was on the backside of my leg. Laying there in agony not

was on the backside of my leg. Laying there in agony not knowing what to do, John came to me and managed to get my knee cap back in place. I had to wear a cast the entire length of my leg but I remember the doctor telling me if he hadn't set my leg that I would no doubt would have to have

surgery. I'm thankful he was there and knew what to do. That was in 1981.
