Tribute Wall

Hey baby, today you would be 42. This makes 17 birthday's we've not celebrated together. 17 year's I've been without you Jon. 17 year's our boys haven't seen their you, hugged you or just simply talked to you. You know I've kept you alive in there hearts. I talk about you to Tyler & Kadd as if you were just gone to work, but sadly you're not going to walk through the door at the end of the day. Me, Tyler & Kadd are ok though. We'd love if you'd been with us all these year's, but heaven needed you more than us. I don't think that's possible, but who am I to question God. After all, just like the meaning of your name, your were most definitely "God Given" to me and our boy's. Jon know me Tyler & Kadd love you yesterday, today, tomorrow and × infinity
