Hey Pawpaw, i know you are in a better place but i miss you a lot and i love you. you are my favorite person in the whole world i will always miss you and you will forever be in my heart. I really wish you were still here but i know it was your time to go and that you were ready to go to god. you told

was bad in life. you gave me a reason to love life and to live my life. I promise you that i will change my life for the better and i will always try to be hopeful . I'm sorry that i was not there for you when you died but I'm here now and i love you. You have showed me what love was and you helped me though so much. I'm truly happy and grateful to be your granddaughter. i wish i could have said goodbye, i know i need to let you go but i can't I'm sorry but i still need you in life and i don't want you to leave me but i know you are still here for me even if i can't see you, i know you are here with me. i know i have to say goodbye but before i do, you mean so much to me and I'm glad that you where in my life for all those years and i will always love you, Goodbye Pawpaw.
