My deepest condolences to Ken's family and many friends and fans. I was a classmate and basketball teammate with Ken in the Lenoir High School class of 1959. Ken was already writing sports articles for the Lenoir News Topic while in high school. He moved on to a much recognized and celebrated career in sports reporting, sports promotion and work in the human resources field. It was always fun to talk sports with Ken at our LHS Class of '59 reunions. He will be sorely
