Paw, im still at a lose for words with you not being here no more. It just doesn't seem real at all. You was always my number one person I wanted to be around growing up! I was always with you and nanny when I was little. I couldn't wait for you to come back home when u would be out of town for months on in working. You was the hardest working man I know and you've instilled that into me today.

Everything you've ever taught me I will carry on with in life! I'm gonna miss you so much! Just know you taught me well paw! I'll always love you and you will forever be in my heart! Keep a eye out for us all down here, especially momma. She's misses you so much! I love you paw and I'll see you again on the other side! Love always, your grandson Casstin.

Biggerstaff was a great neighbor for the 17 years we have known him and his family. We have watched his grandchildren grow up. He always had a friendly wave and smile as well as a kind word. We will miss him greatly. Kids, let us know if you ever need anything. We are always here for you. Tony and Kim Mikeal

We traveled so many roads together I will miss my life long friend. We were life long friends, that never had a cross word. I will never forget all the laughs we had and his cooking fit for a king. Thanks for the memories Puff
