I was not aware of Uncle Lee's passing until a couple of days ago. I am so sorry for your loss. I was so lucky to have been born into a family that gave me such an amazing uncle. I have so many warm memories of Uncle Lee that if you asked me for one, it would be too hard to choose. One memory I have shared with my husband was when Uncle Lee would make popcorn. He would pour it into a brown paper bag and add a bag of chips. So good. My husband won't eat popcorn any other way now. I adored my Uncle Lee, Uncle Jerry and my dad so much. I smile when I think of them all together now. Uncle Lee with his guitar, my dad singing away and Uncle Jerry with the stump fiddle. Have fun you guys. Love you always.
