Linda Calhoun was the definition of caring, compassion, consistency, and was always the first in line to reach out to the community with the gospel. She was also a personal friend when I served at her church, something a lot of

pastors never find within the walls of the church they serve. I can't say enough about her faithfulness to her Lord and her church. I miss you and you will be missed by many many friends, family, and loved ones. Well done Good and faithful servant!
