

*Major A. Buff, III*

**Aug. 27, 1946 - July 20, 2024**

Major Ambrose Buff III, of Morganton, NC, passed away peacefully on July 20th, 2024. Born on August 27th, 1946, he was the son of the late Willa Mae Causby Mull and Major Ambrose Buff II. Although often referred to as, "Little Major," he will be remembered for his big personality and unparalleled skill of storytelling. Major retired from truck driving with over 3 million miles on his record. After retirement, he became a "professional loafer" and day trip extraordinaire. His time was spent living life to the fullest surrounded by family and friends. Major was a stranger to none and a friend to all. He will be greatly missed.

In addition to his parents, Major was preceded in death by a brother, Roy Lee Buff.

He is survived by his wife, Naomi Penley Buff; daughter, Tammy Farris (Jon); granddaughter, Dr. Emily Laine Farris, PT, DPT; brothers, Larry Buff (Jeanette) and Jimmy Buff (Linda); and a host of nieces and nephews.

The family will receive friends from 2:30-4pm on Tuesday, July 23, 2024 at Sossoman Funeral Home. The service will begin at 4pm in the Colonial Chapel of the funeral home with Rev. Tim Hodge officiating. Entombment will follow at Burke Memorial Park

Sorry it has taken me so long to post but it has taken me this long to come to grips with your loss. I could tell so many stories of memories we made together [as could many others]. From getting thrown out of Drivers Ed on the first day to totaling my brothers new Chevy. You always claimed your wacky personality was a result of this wreck. I made a comment at the funeral that probably 80% of the men in attendance would claim you as their BEST FRIEND including me. You left a vacuum in so many peoples lives who will miss your humor, your visits when they were sick and and those phone calls to just check in. RIP Brother, I love you

I remember Major from when I first met him in 1999. We were looking at his house in Morganton and he said forget the Realtors, just come on over and we will show you the house. It was the most extensive tour ever and later when the Realtor did take me through the house, I was able to give them more information than they knew! They invited us over several times after that and we just sat around and talked. Major always had the best stories. We bought the house and Major was always there with advice and came to my work to visit me. Prayers for

you and your family Naomi, I can't imagine what you are going through. I will miss him greatly.

I have known Maj for 40 plus years. I worked with him as he drove for Dana. He and my granddaughter had a special bond that started when she was 10 months old. I would take her for breakfast and Maj would sit with us as I fed her gravy..he thought that was amazing. They would sit close at church and Maj would tell her to keep him awake..so funny. I will miss him and I know my granddaughter will.

She was heart broken as I was when I told her he had passed. Prayers to his family...

Woeked with Major at Dana Corp. in Morganton. Loved the man! He was so funny and entertaining. Always made me laugh and could tell some really great stories. We trucked together one night and came up with every Country Music entertainer from the beginning of time till that present time and every song they sung. He loved to eat and we did a lot of that together. You will be missed, my friend. I love you and so glad God allowed our paths to cross. See you on the other side!
