The entire Class of 1967 at Morganton High School sends their condolences to Donnie's family. Donnie was a very important part of our class and we mourn her passing. As class president, I personally had several conversations with her about her tragic accident. She was always so positive in spite of her unfortunate

...but her tragic accident did not destroy her positive impact on her immediate circumstances. She kept up with her high school classmates as best she could. We miss her.
