Millie, you were my saving grace when I was growing up! The time spent at your house gave me more good memories than I can count! You was the mother I needed as my mother's sat in the same room. I always felt like a safe "kid" when you were around. You gave me love attention peace and wisdom. Thank you. Thank you for making my daughters pink shiny prom dress and sharing your love with my children. I love you Millie! I now regret not telling you that enough! But I know you are watching out for all of us! Thank you Millie I love you!

I'm so sorry to hear about the passing of Ms. Millie. She was my school bus driver years ago at Oak Hill, and she and her husband, John, were such good friends with my grandfather. I have so many fond memories of John, Ms. Millie, and my grandfather planning their VA trips together—and somehow, those trips always seemed to end up in Cherokee afterward! I also remember when Ms. Millie got her Harley. She was so proud of that bike! She was a wonderful person who clearly made an impact on so many lives. Keeping all of you in my thoughts and prayers during this difficult time. We always joked about her living on Lost Corners with the big houses… she would say "We live on the poor side" God Bless you family. Hold on to the wonderful memories.
