I met Patsy on our mutual "first day" of school at WPCC. We became fast friends. Though we did not talk often; when we did, we picked up where we left off. She will be sorely missed. Gary, I offer you my condolences, as well as to her sisters! May God's angels wrap you in their wings and comfort you in the days ahead.

Offering sincere condolences at this time for each family member. Patsy was a classmate at West Iredell, we suffered through Freshmaen PE together and graduation in 1978. She was always there with a laugh, smile or whatever a friend needed at the time. Please know I am praying that God wraps his loving arms around each of you and replaces each tear with a bittersweet memory in the coming months ahead.
