You know it's hard to find good men like my uncle and my father. I honor both of those true men and brothers for the love they had for family. Love you, my family and cousins. They led by example, hard for anybody to fill their shoes. God bless our families.

Ninny, you were the best daddy/granddaddy in the whole world. I will always "love you more than all the leaves on all the trees (even the pine needles) and every blade of grass in the whole wide world!"
