Phyllis was a long- time friend from Sky City days I worked there with her for over 10 years, went to Myrtle Beach with her and took our children to several places around Hickory. I am very saddened by her passing. RIP my friend.

Phyllis, Sweet Phyllis, you were honestly one of the sweetest most humble people I have ever met. We had such good times on our beach trip and other places that we went with Judy. Our midnight conversations were so precious. We were like two sisters who had not seen each

other in a long time and had to catch up. I knew your
intermost feelings and you mine. We understood each
other. You will be missed by those of us left behind but you
are with your precious son, Scott, where I know you wanted

to be. All my love, Phyllis. Wish I could give you one more
hug, my sweet friend.
