Just now finding out about Randy's passing. He was always a friendly face when he came into the store. I knew his Dad collected arrowheads and I asked him if he had one he could spare. Not only did he give me an arrowhead, he gave me a bolo tie with an arrowhead, which I treasure.

This is the loss of old and dear friend. Randy and I have been friends since high school. In fact, he escorted me in homecoming. Even when I moved away from

Filter Plant Road we continue to stay in touch frequently by texting or calling each other just to see how we were doing. I will truly miss him as I know you will. I am so sorry. I can't be at his receiving, but I am currently in a rehabilitation facility due to a fall.
