Happy Birthday in Heaven. Not a day goes by I don't think of you. Wonder what would have happen if you were still here with us. I know you are at peace. I never realized just how much I loved you till it was too late. I still miss you as much today as I did the day you left. I love you rando, and on days I feel like giving up. I just remember what you would say to me…. You will forever be in my heart.

–Honey

Can't get you off my mind today. Wishing I could see you just one more time. Rando, I hope you knew just how much I love you.

–Honey

Can't believe it's been 365 days since you went to your heavenly home. Gosh, how I miss you. So many times this year I have needed you. The one person I could always count on to tell me how things were. Even if I didn't like what you said! One that made me "tough". How strange is it that you passed away on the same date you proposed to me a few years before. You were the love of my life. I miss you….. I take comfort in knowing you are in heaven. I have no doubt. I love you rando.

–Honey

I miss my best friend…..

What I wouldn't give for one of our phone calls. So many things I have wanted to tell you the last 6 months. My heart will never be the same. I think about you everyday. What I wouldn't give to have one more conversation with you. I know you are at peace and finally able to see your twin boys.

–Honey

It was a pleasure knowing you.
