Ole Man this really saddens me to find out by reading or seeing obituaries for Morganton. I never will forget the first time I ever walked in ur. Yard about around 1987 I Believe it

was. You AND Momma Nancy, as I called her later on in years. U ask me if I was lost. I replied back nope nope I don't really believe that I am. Is that lol bro Richard, around? You said yes but what do you want with my Son. I said I consider him my Lil Brother. I Know that I'm about 10 maybe 12 Yrs. Older than him BUT the reason I wanted to chat with my Lil Bro was to give him some money for watching over my Girls. At School. R.I.P. Pop Rick always cherished Times.
