So sorry to read about "Sis" in the paper today., She was such a wonderful person and was so nice to me. I enjoyed talking to her at the church. I know she is going

to be so missed by you and her family and friends. Wish I could be at the service this Sunday, but have been sick with the RSV Virus and just haven't been able to get anywhere, not even to church. I do wish I could be there Sunday though. You and "Sis" both were always so friendly to me and hope you are doing well. You and your family are all in my thoughts and prayers.
