Shane, as your sister, best friend, ride or die, homework partner, room cleaner, nurse, cook, etc.... I will forever cherish every moment we shared for 18+ yrs. Three day you met your niece was one of the best days of my life. You were so proud of me and you watched her like a hawk. You were the laugh and smile at every party and the guy everyone wanted to be friends with. I know God needed you more up in heaven but I will really miss you here. Life will never be same. I know your up there dancing with nanny Lois, please kiss her for me. Please watch over me, Emma and Noah. Please continue being the strong willed, determined, loving person you've always been. Although your body isn't here on earth I know God will show me daily your here. I love you buddy. I will definitely follow the footprints you left for me. I will take the road less traveled

as you always wanted me to. Your Sister, Krystal
